Synopsis :

About the Author Mike Snell spends his work life helping teams build great software that exceeds the expectations of end users. He runs the Solutions division at CEI (www.ceiamerica.com). Mike and his team deliver architecture, consulting, and mentoring to clients looking for help with enterprise projects, commercial software, mobile applications, or cloud-based solutions. He is also a Microsoft Regional director. Lars Powers is currently the director of application development at Newgistics, Inc. Prior to Newgistics, he held various technical management positions at 3M and spent many years with Microsoft as a platform evangelist focused on emerging technologies. Read more
