Synopsis :

Review 'Remember My Beauties is a lyrical and down-to-earth snapshot of unsympathetic characters who, because they are so clearly defined and motivated, become captivating and heart-achingly beautiful. A pocket of flawed humanity bound by the love of innocent animals elevates this story that shines a light on the value of family, love, and the connections that keep everything on a steady trot.' —Foreword Reviews "Hugo's writing might remind some readers of Annie Proulx, although her ear for dialogue is closer to Larry McMurtry's. . . . Hugo offers convincing three-dimensional characters with convincing psychic wounds." —The Wilmington Star News 'This book helps us to know that when life knocks us to our knees, it is possible to get up and 'walk on.'" —Laura Munson, author of This Is Not the Story You Think It Is "In vibrant prose, Lynne Hugo tells a gritty, psychologically astute story of three generations in turmoil and the power of nature to heal even the most troubled hearts. Her characters are brave, flawed, real—at times disturbingly so—but she never gives up on any of them, and by the end of this inspiring novel, I shared her empathetic vision. A spare, commanding novel by a master storyteller." —Patry Francis, author of The Orphans of Race Point "A character in Remember My Beauties is fond of saying, 'Lotsa ways to be blind,' but this wonderful novel also shows us there are many ways to see—many ways to see love, for instance, or family or forgiveness. I'll be remembering the beauty of this novel for a long time to come." —Katrina Kittle, author of The Blessings of the Animals "Lynne Hugo's writing is beautiful and evocative, earthy and strong. The characters, the setting, and the way she handles tough issues with honesty, grit, and understanding all make for a wonderful read." —Laura Harrington, author of Alice Bliss Read more About the Author Lynne Hugo is an award-winning novelist, poet, and memoirist. Her 2014 novel, A Matter of Mercy, won an Independent Publisher silver medal for best regional fiction. The recipient of a National Endowment for the Arts fellowship, she holds a bachelor's degree from Connecticut College and a master's degree from Miami University. She lives with her husband in Ohio.
