## Synopsis :

About the Author Gabriel Campanario is a staff artist at The Seattle Times and the founder of Urban Sketchers ([www.urbansketchers.org](http://www.urbansketchers.org)), a nonprofit organization dedicated to fostering the art of on-location drawing. Campanario's newspaper column, Seattle Sketcher, was awarded first place for blog writing in 'The Best of the West' journalism contest. The blog and weekly print column, which combine location sketches and written stories, have quickly become popular in the Seattle area, where Campanario has been featured in TV and radio appearances. A native Spaniard, Campanario moved to the U.S. in 1998 and has lived near Seattle with his wife and two children since 2006. His journalism career spans two decades, working for newspapers in Barcelona, Lisbon, California, and Virginia. Campanario has a master's degree in journalism from the University of Navarra in Pamplona, Spain.[urbansketchers.org](http://urbansketchers.org) Read more
