## Synopsis :

(Music Sales America). This new, user-friendly course means you can take up the piano at any age! Whether you're learning from scratch, or starting again, these three books will guide you gently into the pleasure of piano playing. You learn as you play. The course is based on familiar favorites from the classical repertoire, themes from opera and ballet, folksongs and blues, music by contemporary classical composers, and original pieces by Carol Barratt herself. The books include fascinating items of musical history and biography, an easy-to-follow introduction to the theory of music, and suggested listening to enhance your musical appreciation.
