Synopsis :

14th Edition is the current version. Book is published by The James F. Lincoln Arc Welding Foundation. With over 500,000 copies of previous editions published since 1933, the Procedure Handbook is considered by many to be the “Bible” of the arc welding industry. Now readers have an early opportunity to order this new and totally revised edition. The hardbound book contains over 750 pages of welding information techniques and procedures; photographs, drawings and charts. Much of this material has never been included in any other book. Includes Welding Resources DVD. Read more
